Neal,

Would the week of August 8<sup>th</sup> work for CRNF's representatives? We are generally available that week. If you can give me a couple dates that work for your team, I'm sure we can find a time that works for us.

Thanks, Pat

Pat,

I have compared calendars with our people here and it looked like the 28<sup>th</sup> may work, but with your latest email, we will need to look at another time. Unfortunately, the week of August 1 is not available for me. Can you give me some other suggested dates?

-Neal

Mr. Barkley:

I learned that Seth Draper, EPA's compliance officer, will not be available the week of July 25. Therefore, please look at your calendar for possible meeting dates the week of August 1.

Thank you,

Pat

Mr. Barkley:

**Ex. 7(a)**

We would like to schedule a meeting either on July 28<sup>th</sup> or 29<sup>th</sup> (Thursday or Friday), or some time the week of August 1<sup>st</sup>. We would prefer a meeting in the EPA regional office in Lenexa, Kansas, but we would also be willing to have a conference call with you, if an in-person meeting is not workable. Please provide me with several possible dates and times during that period and I will coordinate with Seth Draper, the EPA compliance officer, to schedule the meeting.

Please let me know if you have any additional questions. I look forward to hearing from you.

Pat
